Chips

Now is the time for all good men (fraternity) and women (sorority) to come to the aid of their party, and we understand that two of these parties are in the field. All of which amuses us greatly, for after all, but ten per cent of the total enrollment of the University belong to Greek letter societies, and if the "barbs" or "independents" or call-them-what-you-will ever united, heaven help party line-ups.

Still, some groups have taken the matter seriously enough to pay for advertisements or their respective candidates. Now we suppose that audits of campaign expenditures will be in order. Omionion!

In all seriousness, we urge every student to go to the polls and there vote in his own school for the candidate or candidates whom he thinks will be strongest, and will do most to make the student council a vital part of the student organization of the University.

A new game has developed with the cut over to the dial-system. It works in this manner: Two or more persons may play the game. One covers the dial with his left hand and leaving the receiver on the hook, dials with his right. The other person or persons in the game endeavor to guess by the clicks the figures dialed. A careful score is kept, and after a given period, the victor is announced, and the sides reversed.

As we see it, the chief merit of this game is that those playing it can become so proficient as to guess from the customary six dialings what number is called, and any secrecy that may shroud the mystic numbers that may produce wine, or women, or song, is lost.

Try this on your telephone, but don't dial your own number with the receiver off the hook, for if you do, you'll get the operator who will give you a lecture.

Davis Prize Speaking Contest is announced again. The person who wins this year will deserve the award, what with all the interest displayed in forensic activities during the past few months. And just to think, we had hoped to go out for the honor, and bring back some cash! We never have any luck.

Curses! Stag bids to the Panhellenic Prom are to be sold to a limited number from each fraternity. We had hoped to get ours free, and now we can't go, for we can't afford to buy a stag ticket and the Petheola, too.

We have a new contemporary in the publication field, here, but after welcoming them, we want to condone with them. The general news room of The Hatchet is to be just above the offices of The Constitutional Review, and when this staff gets started—oh, well, why go further?

The Glee Club, after entertaining and being entertained at a free function, is now having a whole evening of music, which they are to present at their annual concert. Please, Mr. Harmon, reserve two tickets for us.

The History Club banquet, at which Elmer Louis Kayser will speak, is not to be a stag affair.

No trouble in finding news at this time of the year. Every organization is bidding someone to its membership, and then on top of that is electing somebody to office. Such a situation would thrill a country editor, for he could mention names, names, and more names, and the circulation would jump.

This issue started out to be the banner paper of the year, but the date for the big number of The Hatchet has been shifted to May 28, the day before exams begin. We're trying to write a good column for that issue, which will go to thousands of people, and so we are leaving just the dregs in our weekly galley until that time.

PRESIDENT MARVIN TALKS

President Cloyd H. Marvin was the guest speaker at the Two Hundred and Fiftieth Anniversary of the founding of the Masonic Lodge in Charleston, S. C., last Saturday. "Evaluating Social Problems" was the subject of his address before the lodge.

Alumni of G. W. U. Law School in Charleston gave a luncheon Saturday in honor of the president.

SPRING ATHLETIC BANQUET HELD AT HAMILTON HOTEL

Lieutenant Commander F. G. Reinicke of Naval Academy Is Guest of Honor

COACH GIVES SCHEDULES; LETTERS ARE PRESENTED

Dean Doyle Acts as Toastmaster; Marvin, Pixlee, and Chapman Give Short Talks

The Spring Athletic Banquet, under the auspices of the Colonial Club, was held Tuesday, April 22, at the Hamilton Hotel. It is the plan of the club to hold such a banquet every spring, at which time letters will be awarded to athletes participating in spring sports.

The guests numbered well over a hundred, composed for the most part of George Washington University athletes. However, there were also a large number of schoolboy athletes from the several district high schools present.

Lieutenant Commander F. G. Reinicke, the graduate manager of athletics at the United States Naval Academy, was the guest of honor and gave the principal address on the program. Other prominent guests included Dr. Cloyd Heck Marvin, President of the University; Dr. Kieba M. Chipman, Vice-President of the University Alumni Association; Prof. James E. Pixlee, Director of Athletics; and Dean Henry Gratton Doyle, who acted as toastmaster for the occasion.

Game of 1908 Recalled

During the course of his speech, Commander Reinicke stated that the Naval Academy liked to play the part of a friendly neighbor to all institutions, located in this section, and that the Navy athletes and authorities were looking forward with a great deal of anticipation to the football game with George Washington next fall. He expressed the hope that the contact this started at that time, a friendship that will last for all time.

Continuing, Commander Reinicke recalled the last football game played between the rival institutions. This event took place in 1908 and "he" had played as left guard for the Navy. He went on to deplore the meagre relations that have existed since that time.

To the athletes, he said, "This is a big day in your life. It is possible for you to attain the same success in any line of endeavor if you put the same thing into it that you have in athletics." In concluding, he said, "The point is not how soon you reach your goal, but how."

DEBATE TEAMS NEARING FINALS IN TOURNAMENT

Semi-Finals of Greek Debate Contests Will Be Held Friday in Corcoran Hall

Interfraternity and intersorority debating are approaching the final rounds, as only three teams are left in the running in each tournament. This week's sorority debate will bring together Alpha Delta Pi and Phi Sigma Sigma, the remaining team in the running being that of Pi Beta Phi.

"Resolved, That the installment buying of consumption goods should be discouraged" is the subject for the fraternity arguments, while that of the sororities is "Resolved, That the regular full-time employment of married women in industry should be discouraged." Each of this week's contests will be held Friday evening, May 9, in Corcoran Hall at 8 o'clock.

G. W. Glider Club Loses Ship Which Catches Fire in Test; New Gliders Arrive at Once

One of the gliders, intended for use of the G. W. Glider Club, caught fire today while undergoing a series of tests at Landover, Md. A torch, that was being used to weld a new fitting and the motorless airship, ignited the fabric. The machine was not being flown at the time of the fire. There is no way in which the machine may catch fire while in flight.

The club will begin operations as intended in spite of the fire. Thomas Littlepage, Jr., will give a glider, he ordered from a mid-western manufacturer, for use until several more can be constructed in Washington. It is due to arrive early this week.

GLEE CLUB PLANS TO GIVE CONCERT DANCE ON MAY 20

University Officials and Alumni and Interfraternity Council Will Support

UNIVERSITY HOST AT GLEE CLUB'S RECEPTION DANCE

Dr. Harmon Conducts Women's Glee Club in Short Program of Selections at Willard

The Men's Glee Club of George Washington University, National Intercollegiate Champion, will hold its spring concert and dance in the Mayflower Hotel ballroom on the evening of Tuesday, May 20, 1930. The concert will begin promptly at 8.30 o'clock, following which there will be dancing until 1.00 o'clock to Sydney's Mayflower Orchestra. Admission to students will be \$1.00 per person. Tickets may be obtained from the Bursar's Office, 2033 G Street, or from any member of the Glee Club. Boxes may be reserved by calling Lincoln 5076.

For the past several years the annual concert has been a joint effort, groups from other universities combining with the George Washington men in order to assure success in the undertaking, and this appearance entirely upon its own initiative, unsupported by outside interests, provides a fitting close to a highly successful season for the club.

Frats to Have Boxes

The Interfraternity Council, at a special meeting, voted to have each fraternity hold a box at the concert and dance. The Council feels that the brilliant record of the Glee Club should be recognized, and has given its hearty endorsement to the affair. Fraternity men desiring tickets will see their own Council delegates.

The Alumni Association of the University, The Columbian Women, and the members of the faculty have all promised to do all in their power to make the event a success. Incidentally this occasion provides the only opportunity of the student body to form an opinion of the worth of the present Intercollegiate Champions at their best, in a full concert program.

As an expression of appreciation for the achievements of the Men's Glee Club over a period of years, George Washington University Faculty and Alumni played hosts to it at a reception and dance at the Willard Hotel on May 1. Dr. Marvin made an address of appreciation, which was answered by Dr. Harmon, Director of the Club, and by Frank Scrivener, Manager. Dean Lapham, Chairman of the University Committee on Music, presented the trophy, which the club will retain for one year by virtue of its victory in Carnegie Hall in March of this year. Following introduction of the speakers the G. W. Girls' Glee Club presented a short program of songs, and the Men's Glee Club closed the ceremonies with the singing of the Alma Mater song.

A feature heretofore unheard of at Panhellenic Proms will be introduced this year—a feature which will add pep to the dance, and at the same time will not detract materially from its exclusive atmosphere. A limited number of tickets will be allotted to each men's fraternity on the campus to be sold to men wishing to attend the dance stag.

The music for the Prom will be furnished by a Lido unit, and the leader is taking particular pains to have his best men for this engagement.

Dr. Reichelderfer is ALUMNI HONOR GUEST
New District Commissioner Attends Luncheon of G. W. Alumni at Lafayette

Dr. Luther H. Reichelderfer, President of the Board of Commissioners of the District, received the felicitations of his fellow alumni of The George Washington University at a luncheon held in his honor by the General Alumni Association yesterday at the Hotel Lafayette.

Dr. John Foote, President, and Dr. Courson B. Conklin, Secretary of the District of Columbia Medical Society, also were honor guests at the luncheon.

Introduced by Dr. Oscar Benwood Hunter, President of the General Alumni Association, Dr. Reichelderfer expressed the pride which he said he has always felt in his relationship to The George Washington University since the time of his student days more than thirty years ago.

Problems To Be Studied
He spoke of the high sense of responsibility to the people of Washington which he declared all of the District Commissioners feel because of the fact that they serve a body of citizens "who can neither hire nor fire them."

Dr. Reichelderfer asserted that for the present at least, his slogan as a District Commissioner would be "Stop, Look and Listen." He told of the intensive course of study which he is undergoing with regard to the problems before him: As to a future course of action, Dr. Reichelderfer said he was convinced that the proper procedure is "to make up your mind you are right; then, if necessary, say 'No' as pleasantly as you can and let it go at that."

The new commissioner paid high tribute to the character and abilities of his fellow commissioners.

WASHINGTON, D. C., WEDNESDAY, MAY 7, 1930

A LAST WORD

The Hatchet feels that it should once again stress the importance of the coming student council elections. This election is a crisis in life of the students in the school. If the student body thinks before they vote, they will do a lasting good to the University. Once this council is elected, if the proper men are chosen, the power of the students in running their own affairs within the college will be vastly increased. However, it is essential that men are elected who will work for the interests of their constituents.

It is expected that the greatest amount of competition will be centered in Columbian College. In that school, thirteen people have been nominated, while only five of them are to be chosen. In the other departments of the University, the nominations are varied. In two schools there is only one candidate nominated; in six schools two have been nominated; and in the other two schools, four people have been nominated.

From this list of candidates, it is seen that the voters will have to think before voting. For if the council is to be a success, the best men must be chosen.

In considering the candidates, there are a few things that the voter might bear in mind. First, has the man in question done anything to help in school activities? While all of the men up are undoubtedly likable fellows, that should not constitute a particularly good argument in their favor. Of far more importance are his other qualifications. The men should be those who have done work in the University in the way of extra-curricular activity. While activities may not be the most important thing in school, they certainly show a willingness of an individual to work for the interests of the school.

Second, has his work been rewarded by success? A man may be a hard worker, yet if he has no ability, it would not help the school. While success in one activity does not guarantee the same success in another, it at least shows that the man has some ability, and it is highly probable that if he did not feel that he could conduct himself in his office successfully, he would not permit himself to be drawn.

Third, has the man in question been popular with his co-workers? This is perhaps the most important consideration, because the success of the council will depend on smooth running after the election. As an indicator of this point the voter might look at the man's past record. Professional and honorary fraternities make it a point to choose men of this type. If a man can boast of an honorary fraternity, it is a good sign that he can get along with his fellow workers.

For the last time, we urge caution in making his decision. Supposedly the best men in school have been named, and now the student body must choose the fourteen best of the nominated group.

Eberly Pitches No-Hit Game for Delta Tau Delta Against Sigma Chi

There were several upsets in the Interfraternity Baseball League last Sunday. Kappa Alpha and Theta Delta Chi, who were leading League "A," neither having lost a game, met last Sunday, and Kappa Alpha took the game by a score of 3-2. This puts them in the lead with three wins and no losses. Theta Delta Chi went into second place by losing to K. A. Kappa Sigma and S. A. E. are tied for third place with two wins and one loss each. T. U. O. and Sigma Nu are in last place with three losses and four losses, respectively.

Acacia, in League B, tied with Phi Sigma Kappa for first place by virtue of its win over Sigma Chi. Delta Tau Delta is next in line with one win and one loss, since it defeated the S. P. E's

FIELD DAY MAY 13

A Field Day for the Freshman and Sophomore women out for Spring Sports will take place Tuesday, May 13, at 1:30.

The events will be track, baseball, archery, and tennis.

Archery will be on the Ellipse, baseball and track on the Monument grounds and tennis at the Tidal Basin Courts.

K. A.'s Win Hard Games

Kappa Alpha won a hard fought game from Theta Delta Chi by a score of 3-2. Both Wells of K. A. and Battle of T. D. X. pitched superb ball. Wells virtually won his own game in the sixth inning by knocking a triple with two men on base and later scoring himself to make what was to be the winning run. The Theta Delta Chi's made a run in the third and again in the seventh. The game was nearly free from errors and was exceptionally well played throughout, three double plays by K. A. featuring their fielding exhibition.

Kappa Sigma defeated Sigma Nu by the close score of 5-4. The Kappa Sigma started on a scoring spree in the first inning which the Sigma Nu's were unable to overcome.

The S. A. E's in another slug fest defeated T. U. O. by the score of 15-4. Durham pitched for S. A. E. and Herzog and Young for T. U. O. Harris and Atkins of S. A. E. provided the long hitting for the day, getting three home runs and one home run, respectively.

In League B Acacia defeated Sigma Chi 9-3, with Spangler, for Acacia, and Sticker of Sigma Chi doing the hurrying. This places Acacia in a tie with Phi Sigma Kappa for first place.

Delts Take No-Hit Game

The Delts took a no hit game from S. P. E. It was agreed before the game that it was to go only four innings. Eberly for the Delts did not allow the S. P. E's to safely place a hit. Phi Sigma Kappa drew a bye for this week and since the Acacians were scheduled for a game with the Sigma Chi's the postponed game between the two could not be played off today.

BUFF AND BLUE TEAM DROPS TENNIS MATCH

Loss is Followed by Win Over William and Mary Racquet Club

The George Washington University tennis team was defeated for the first time last Thursday when Villanova was returned the victors in a match played on the Columbia Country Club Courts. The visitors won by a score of five matches to four. The Colonial netmen resumed their winning streak the following day, however, when William and Mary was defeated by the overwhelming score of 8 to 1.

In the Villanova match the Buff and Blue racketeers were forced to play without the services of Bob Considine, Larry Phillips, and Ivan Edwards, who are numbered one, three, and five, respectively. G. W. won three of the singles, but were able to win only one doubles match.

With the three absentees of the day before back in the line-up William and Mary was vanquished with the loss of only one match. In the number two doubles engagement Stauble and Seidel were victorious without the loss of a game.

Summaries of the William and Mary match:

Singles

Considine defeated Jocelyn, 6-1, 6-8, 6-2. Phillips defeated Wiggins, 6-2, 6-0. Stauble defeated Sheehan, 6-2, 4-6, 6-0. Seidel defeated Lewis, 6-2, 6-3. Edge defeated Mullen, 6-0, 6-1. Harold (W. & M.) defeated Goldsmith, 6-4, 6-4.

Doubles

ATHLETIC BANQUET TO BE HELD AT HAMILTON

(Continued from page 1)

also stated how proud he was that the athletic program development had already reached so high a degree of success.

Dr. Chipman, speaking on behalf of the alumnae association, said a school is as strong as its alumnae, and that the alumnae was as strong as the school. He remembered that at one time, approximately twenty-five years ago, G. W. once tied Georgetown. That is as close as we have ever come to defeating them. He expressed the hope that we would meet them again soon with a more favorable outcome.

The senior manager of athletics at the University, Ford Young, assured the athletes that they may expect a great deal of cooperation from the student body. He is hoping that by the time the Navy is met we will have a band of our own. This may be supported by subscription.

Pixlee Gives Schedules

Coach Pixlee informed the gathering that the athletic department is already reaching forward as far as 1932 and 1933 in the matter of arranging games. The football schedule for next year is complete, he said, while rapid progress is being made in the schedules of varsity and frosh basketball and freshman football. Five games have already been arranged in the latter, including a game with the Navy "B" squad for Thanksgiving day, as well as contests with the freshmen elevens of Georgetown, St. Johns, Catholic University, and Western Maryland. Coach Pixlee is trying to get the best teams possible and to obtain inter-sectional games as well. He stated that the school received a lucky break in the postponement of the Iowa exchange for another year.

He promised the athletes the best of equipment, conditioning, coaching, and games. All he asked in return from them was a true sportsman's attitude. He said if a team won't be licked it can't be licked and that spirit surmounted genius, and if there were such a thing as genius it came from spirit.

Letters Awarded

In awarding the letters he stated that it was possible for an athlete to receive a letter and yet participate in only a few of the games, and equally as possible for a man not to get a letter who has taken part in a majority of the contests. The basis for obtaining a letter is unusual ability and service.

Letters will be awarded to members of the tennis and rifle teams at the conclusion of their respective seasons. Men receiving letters were:

Basketball: Robert Gray, captain; William Blaine, Richard Castell, Irving Fine, William Hanback, William Harris, George Hoover, Max Jeweler, and John Thacker.

Boxing: William Stanley, Robert Boyle, Leo Coveleskie, David Cohen, John Duffalo, Harry Kleiman, William Oeschlger and William Phillips.

Swimming: Dean Longfellow, Robert Adams, George Connally, Ray Edmondson, Merton English, Benjamin Goldberg, Ray Lyman, Edward Strauss, Jack Polkshorn, and William Thomson.

Freshmen Basketball: Jack Connor, captain; Forrest Burgess, Ford Brown, Max Brown, Lee Carlin, Sidney Greenberg, John Lannan, Fred Mulvey, Wallace Preston, Clyde Romig, William Wells, and Arthur Zahn.

LOST

LOST: A Sigma Nu pin with the initials M. E. X., '30. The pin is studded with opals. Will finder please call Georgia 1823.

Co-Eds Down Western Maryland Tennis Team

Fishburn Defeats Tull in Feature Match of Day; Detwiler Wins Easily

The George Washington University Co-ed Tennis team added another victory to its long list when it defeated the Western Maryland team on Friday, May 2, by a score of 4-1.

Judith Fishburn played the hardest fought match of the day when she successfully vanquished Caroline Tull, 6-4, 7-5. In each set Tull had a lead of at least four games before Fishburn could succeed in winning a game. Then Judith settled down and won the necessary straight games to give her the match.

Mary Detwiler lost only one game out of two sets, but most of the games went to Deuce several times. Both of the doubles matches were easy victories. Jenny Turnbull was the only member of the Buff and Blue team to lose to the visitors.

The summary:

- 1-Mary Detwiler defeated Kay Cochran, 6-1, 6-0.
- 2-Jenny Turnbull lost to Madeline Murphy, 7-5, 6-1.
- 3-Judy Fishburn defeated Caroline Tull, 6-4, 7-5.
- 4-Mary Sprout and Marian Butler defeated Elizabeth Mitchell and Ruth Davis, 6-4, 6-4.
- 5-Mary Detwiler and Jenny Turnbull defeated K. Cochran and Madeline Murphy, 6-2, 6-3.

Men's Rifle Team Falls Before West Point Men

G. W. Is Only Civilian School Which Has Defeated Army

In the first match of the out-door season, the men's rifle team was defeated by West Point. Though it lost this year's match, the G. W. team enjoys the distinction of being the only civilian team which has overcome the Army men, having won from them in 1927.

The indoor season was closed April 5 by participation in the National Indoor Small Bore Championship matches, in which George Washington received sixth place among a field of thirty entries.

The team is composed of five students of the University, who hold their places in the following order: Harrell; Barr; Tomelden; Boudinot and Aud, with Jackson serving as alternate for fifth place. Two of these have had experience, but the remainder are new men. Next year, however, the entire team as composed at present is expected to be back in school.

Dr. Donaldson Aids Establishment of National Social Science Honor Society Here

A selected group of students in the History, Economics, Political Science and Sociology departments, which is organizing a local chapter of Pi Gamma Mu, national social science honor society, at George Washington, held a preliminary meeting last Friday in Lisner Hall, under the direction of Dr. John Donaldson, member-at-large of Pi Gamma Mu, who has been appointed local organizer by the national officers.

A committee on organization was appointed, to handle the election of officers and the drawing up of a constitution. The committee is composed of Nathan L. Ferris, chairman; Eleanor M. The purpose of Pi Gamma Mu is the inculcation of ideals of social service and scientific research in the undergraduate, and the inspiration of the graduate in his after-college life in the field of social science. An endowment fund for prizes, scholarships and fellowships is being established by the national society.

The society was founded in 1923, at Southwestern College, Winfield, Kansas. At present it has nearly a hundred chapters. William and Mary, the University of Pennsylvania; Pennsylvania State College, and other distinguished institutions, are represented on its rolls.

Members include undergraduates in regular chapters, and members-at-large, who are on the social science faculties of recognized colleges and active social workers. All members are active. There are no honorary members. Women as well as men are eligible. Among the members-at-large are Jane Adams of Chicago; Professor Irving Fisher of Yale; and John Hays Hammond and Major Julius I. Payson of this city. Several members of the George Washington faculty, including Harold G. Sutton, Registrar of the University; Dr. John Donaldson, professor of Political Economy; Dr. William Alanson White, professor of Psychiatry; and Dr. Arthur C. Christie, professor of Roentgenology, are also members-at-large.
